

LETTER 129

CLOCK HOUSE

195 Elizabeth Street

5 th. February 1923

Messrs. Arthur Scott & Co.,

Edward St.

BRISBANE

Dear Sirs,

With further reference to my sueing you re using my right-of-way, when you stated you had a lease from Mr. Burton for the use of same. Mr. Burton also stating he had given you lease of same. As neither Mr. Burton or any one else can give a lease of property which belongs to me, and they have not yet shown me any lease or any reason why you are entitled to use this right-og-way without my permission I must ask you to desist from using same.

I have placed the matter in the hands of my Solicitor and if some arrangement is not made within the next day or so, will instruct him to proceed with action against you in this matter.

I am,

Yours faithfully,

*Alf Geo Jackson*
